PRESIDENT'S MESSAGE

3300 Linda
Amarillo, Tx. 79102
806/352-7676

Thanks to the Fort Worth Coin Club for an excellent convention. From ribbon cutting ceremonies to our check out from the Hilton Hotel, Margaret Ann and I were joined by others in saying "Thanks for the hospitality."

ANACS certification booth was probably the busiest of all. The two able representatives from ANA hardly had time for a short break.

Kathryn Mears escorted several people on a short tour of Fort Worth. The educational program was well attended and chaired by 1st vice president Lyman Bartree who introduced Margo Russell, Coin World editor, and Senor Miguel Munzo of Mexico City, for two exceptional programs.

Gerald Kendall, TNA's 2nd vice president, was in charge of the governors and club representatives breakfast and this was well attended and many ideas were exchanged. Our 1st vice president, Lyman, did his usual able job at the awards breakfast Sunday morning.

TNA has a new librarian, and what a catch! Fort Worth Coin Club president Elleta Havens volunteered for this job and we are all so appreciative.

We also wish to thank Pullen & Hanks for an excellent auction. Special "thank yous" to the Howard Lukes,

John Luke, Gib Lewis, Lisa Allred, Bob Slocum, Lloyd Campbell, Robert Wilharm, Linda Wade, Werner Pegg, Katherine Mears, Floyd Dorsey, Bob Culbertson, and ANA President Adna Wilde, to the ladies and gentlemen who maintained the registration desks - and to others too numerous to mention, but who did their job well.

The general chairman, L.C. (Lonnie) Mears, probably wore out a pair of shoes, lost many an hour of sleep; however, with Fort Worth club president, Elleta, and all the good members - the show and convention proved to be one of TNA's best!

By and large TNA's past year was a good one, with high interest rates and our economy in a droopy condition, we still increased our membership. We could do better though. Won't you all help by proposing a new member this next quarter

FORT WORTH ENTERTAINS TNA CONVENTION GUESTS

A warm welcome and friendly Texas hospitality greeted visitors to the Texas Numismatic Association convention May 21, 22, 23 in Fort Worth.

The Tarrant County Convention Center in downtown Fort Worth - the city with the rich western heritage - was site for the 24th anniversary celebration of TNA. Members of the Fort Worth Coin Club, headed by Elleta Havens as president, hosted the event in the spacious convention center with special activities held at the Hilton Hotel.

D. O. Joplin of Levelland was named recipient, for the second time, of the Lewis Reagan Memorial award given to a TNA member who has contributed the most to Texas numismatics. The late Troy Coan was honored with the Reagan award received by his wife, Betty Johnson of San Antonio.

The three top Texas coin clubs were honored with Club Salute awards - Stephenville Coin Club, 1st; Amarillo Coin Club, 2nd; and South Plains Coin Club of Lubbock, 3rd. Receiving honorable mentions were Gateway Coin Club (San Antonio), Levelland Coin Club, Lamb County Coin Club (Littlefield), Dallas Coin Club and Garland Coin Club. The awards have been provided by Austin Texas Coin Club since 1973.

An important appointment was made by the TNA governing board during the business session, that of the librarian's position. Elleta Havens was named to fill that position and the TNA Memorial Library will soon be in operation again. Elleta's address is 4920 Terrace Trail, Fort Worth, TX 76114, telephone 817/626-6783.

In other business, TNA life memberships were approved for Garland Coin Club, Walt Woelper, C R. Brashears, R.W. Carver, George Ewing Jr., Michael Simons, Casey Noxon and Roy W. Wilson.

Also, the bid submitted by Banner Printing Co. of Brownwood for printing and mailing **TNA NEWS** was accepted, approved necessary office equipment funds for the TNA secretary and TNA NEWS editor; approved new advertising rates effective June 1; and accepted the invitation from Fort Worth Coin Club to meet in their city in 1986.

Howard Luke graciously donated up to \$100 for a new TNA table cover to replace the one damaged when flood waters invaded the TNA secretary's home last year. TNA was invited to join ANA patrons in the official convention guide to be published for the August 1982 ANA convention with a donation of \$10. A gift of \$100 in addition to several private donations was given to Wilde, ANA president, to be added to the building fund.

The 1983 TNA convention will be held in Corpus Christi on April 14-16 in the new convention center and hosted by Corpus Christi Coin Club. In 1984, conventioners will travel to Amarillo, in 1985 to El Paso and then to Fort Worth in 1986.

EDITOR

Do you know of someone in your club who deserves special recognition and attention? Someone who generates enthusiasm, makes your club "tick" and perk up meetings? If so, let's get acquainted with them. Next month we will begin a series on "Let's Get Acquainted." We need to know all about these people - those who really put forth extra effort and use their time and talent to make your club "just a little bit better." Send (secretly to the editor) your resume of just such a person - sort of "This Is Your Life." Let's surprise them and "Let's Get Acquainted."

.....

Herbert Kupferberg, in an article entitled "Seen a \$500 Bill Lately" which appeared in PARADE April 11, said that inflation or not, the U.S. still has no intention of printing anything larger than a \$100 bill. Since the end of World War II, the C-note, with picture of Benjamin Franklin on the front and Independence Hall in Philadelphia on the back, has been the largest denomination of paper currency issued in the U.S. He also noted that just because the Treasury isn't making anything larger than a century note these days doesn't mean that larger denominations no longer

exist. On the contrary, they're still around and are legal tender. Mostly they're in the hands of dealers and collectors. The \$500 bill has a picture of William McKinley.

.....

The U.S. Capitol Historical Society needs members who will actively support its educational programs in the Nation's Capitol and in the respective States, with dedication and enthusiasm, according to the 27-page booklet issued with the 1982 medal. The medal commemorates both the contribution of George Washington and the national principles portrayed by the Great Seal of the United States on the dual historical 250th anniversary of the birth of Washington and the 200th anniversary of the Great Seal. For more information on membership and the medal, write the Society, 200 Maryland Avenue, N.E., Washington, D.C. 20002.

.....

TNA accepted an invitation from the Fort Worth Coin Club to return to their city in 1986 - the year the state of Texas will celebrate the 150th anniversary of its independence. Festivities will be organized statewide with plenty to celebrate. In four years (1986) TNA (Continued on page 25)

The 1982 convention is now history. Those of you who did not get to attend missed a good convention and show. I did not get to attend much of the bourse due to meetings and judging, which reminds me of one of my favorite subjects.

The secretary released the latest figures on the membership as of the convention date. We have some 1,150 members and only 17 of them are juniors. Of this, only 1.4% of the entire membership, we had three exhibits from juniors. Last month I received a letter from Nela Runkle, District XI governor, and she gave several good pointers on how to gain and keep the juniors. One of her suggestions was to pay the dues but ONLY if the junior be active in the club. I will be happy to pay the first 10 to 25 new junior members into TNA for this. But they must start to work and show us that they can and will be a productive member.

Another thing is an old subject. We in the TNA need a good pool of judges for the exhibits. You, the governors, have much contact with the clubs. There must be many out there who are extremely knowledgeable on a certain area. The particular area is not important. I am not talking about names

and personalities; just men and women who know and are willing to impart that knowledge to those of us who want to learn. The ANA has a pool of judges who are well informed in one, two or three areas. These judges are called upon each year to fill that need. We in TNA now have a need. At this moment I am calling on anyone who wants to fill this vacuum. It may be that you personally want to volunteer or may want to "snitch" on some one else who has the capabilities. Just drop me a short note and I'll carry the ball from there. This invitation is not limited to the governors, it is meant for all of the TNA members who have an interest in this area.

It's time to be planning for that exhibit for the 25th convention of TNA in Corpus Christi on April 14-15-16, 1983!

Philadelphia Mint Has Charge Of Mutilated & Uncurrent Coins

Donna Pope, Director of the U.S. Mint, announced that the function of redeeming uncurrent and mutilated coins is in the process of being transferred from the U.S. Assay Office, New York, N.Y. to the U.S. Mint, Philadelphia, Penn.

Treasury regulations governing redemption policies and methods are undergoing revision and are expected to be published in the Federal Register. Persons wishing to redeem mutilated coins during the transition period may transmit them to the Superintendent, U.S. Mint, Philadelphia, Penn., 19106. Until the program becomes fully operational, delays of several months in redemption may be expected.

The mint defines mutilated coins as coins which have been subjected to fires or physical damage. Uncurrent coins are coins which are too worn to be of service. In accordance with existing regulations uncurrent coins will continue to be redeemed by Federal Reserve banks and branches.

.....

There was once a couple who took their four kids, three dogs and two cats and spent a one-month vacation in their camper. And it was very economical. They saved enough money to pay for the divorce...adios & thirty.

BUYING AND SELLING

This has been my specialty for a number of years. European, Latin, Mexican and Asian rarities are offered in my monthly catalogs. These highly illustrated catalogs are becoming collectors items themselves and are available on request to serious collectors. I have continually been the most active dealer in rare crowns paying high prices for choice material from collectors, dealers and auctions. Please contact me if you have coins for sale.

COLLECTIONS WANTED

We are actively seeking collections—USA, Mexico and Latin American. Any size. If you are seriously thinking of selling your collection, we will either buy outright, trade for bullion coins, or handle thru one of our auctions—whichever will bring you the best price for your collection. We will also consider individual rarities, especially in gold or silver.

If interested, please contact Dr. George Vogt. We are also interested in servicing your want list.
